

Welcome to Catford Community Church

whether you're a regular or a visitor, you're very welcome

I have come that they may have life, and have it to the full. - John 10:10

I Am the Bread of Life

Welcome to our Sunday morning all age service at Catford Community Church, which today is led by Ian and Jane Butcher with Ian Butcher and Phil Wood leading worship. We'll be exploring what Jesus meant when He said I am the Bread of Life, and we'll be using some different breads to help us think about what Jesus meant and what it means for us today.

Bread of Life – can you find these different breads in the grid?

LEWISHAM STREET, SCHOOL & PRAYER PASTORS RE-COMMISSIONING SERVICE 2019

Lewisham Street Pastors have been patrolling the streets on Friday or Saturday nights for over 10 years, listening, caring and helping those people found out and about during the early hours. More recently they have trained School Pastors who patrol a local secondary school at lunchtimes, building relationship with both pupils and

staff. There is a faithful team of prayer pastors who cover them every time they are out on the streets.

A special Recommissioning Service will be held in St John the Baptist Church, Bromley Road on 10 February at 4pm. It will be an opportunity to tell stories of what's been happening, be grateful to our Street, School and Prayer Pastors, and recruit new people to this exciting and essential work. We're excited to have Rev Les Isaac OBE, founder of Street Pastors, speaking at this event.

Holocaust Memorial Day

Today is Holocaust Memorial Day, and there will be a civic ceremony at the Broadway Theatre, Catford from 3pm.

Local school children will put on a production reflecting this year's theme – 'Torn from home' – through drama, dance, poetry and speeches. The Chair of the Holocaust Committee, Mayoress of Lewisham and a recently arrived refugee will speak about their experiences.

Tickets are free - and you can probably just turn up!

Trip to Margate

We've booked a couple of coaches for our seaside trip on 15 June - please do see Maureen to book yourself a seat. If you want, you can also sponsor someone from the community to go - just buy an extra ticket and let's bless people.

Curry on the Go

The annual iNet Curry Night, rebranded as Curry on the Go, is a great opportunity for you to see what you are a part of and to hear what God is doing around the world. The new iNet team wants everyone that is connected to an iNet member church to know what iNet is, simply to encourage people to take part in the great commission – whatever that would look like. We would particularly like to see young people attend and be inspired. Do go along and bring your friends, (especially the ones with missions already on their hearts).

Off to Zimbabwe...

We booked flights for a great team of six people from CCC to visit Greg & Sophie and One Way School in the February half term week. Please pray for the team that we will be able to get everything ready in the three weeks before we go.

We've also been praying about the political and economic situation in Zimbabwe. You'll probably have seen from the news reports that there are still protests and disagreements about what should be done. Last week it cost Greg \$183 for a full tank of fuel!!

So life is still tough, but it's good that CCC has this connection and is able to be part of supporting and changing the lives of some children and families that need it.

Phoebe Book Club

Several people say that they're interested in reading this work of imaginative theology, and get together to chat about it afterwards.

We're starting 25 February at 7:30pm and meet at Barbara Williams' house. See Ian or Barbara for details.
